EXPERIENCE

SIUE Athletics

Sep 2024 – Present

Sports Broadcast Production Associate · Intern, Aug 2025 – May 2026

- Produced SIUE Athletics ESPN+ broadcasts, directing or serving as on-air commentator for most games, with first choice of any other production role, including technical director, graphics, and replay.
- Stat tools:** built custom stat programs for volleyball and baseball/softball that streamline CG access to pertinent live stats.
- Developed Python integration that feeds live TrackMan pitch data to the on-air scorebug for baseball broadcasts.
- Extra Help (Aug 2026 – Sep 2026):** set up most of the department's broadcast equipment and show graphics.

Ohio Valley Conference

Contract · Per event

Championship Broadcast Crew

- Filled **Director/TD, Replay Operator, Graphics Operator** and **Camera Operator** roles on a contract basis (part-time, event by event).
- Championships covered: **Men's & Women's Basketball, Baseball, Softball** and **Men's Soccer**.

Prepcasts LLC

Feb 2024 – Present

Sports Broadcasting Contractor

- Broadcast and produced live coverage of high school and college sports for the Prepcasts/Collegecasts platforms.

Freelance Esports Broadcasting

Apr 2020 – Present

Production & Commentary

- Produced and provided commentary for competitive video gaming at both in-person and online events.
